Join the global conversation and raise awareness for lymphomas

1. Visit WorldLymphomaAwarenessDay.com
2. Download a message of thanks. Share A World of Thanks to healthcare professionals, researchers, caregivers and others who improve the lives of people with lymphoma.
3. Show your gratitude by sharing on your social media channel with #WLAD2020

Around the world, more than 735,000 are diagnosed with lymphoma every year. World Lymphoma Awareness Day is held on 15 September to raise global awareness for this lesser-known type of cancer.
